

Answer: 21

A terminal window titled "Run: oa" with a close button. The window contains the following text:

```
/usr/local/bin/python3.9 /Users/apple/Desktop/elekta-oa/oa.py  
Minimum moves from the input file: 21  
  
Process finished with exit code 0  
.
```

The terminal window has a vertical toolbar on the left with icons for running, debugging, and other actions.
